DESCRIPTION

Introduction

Sports Festival 2025, organized by the 29th INTIMA Student Government & Service Cell, is a one- week event which will be held around INTI IU campus from [27th October 2025] to [30th October 2025].

Objective

The main purpose of holding this event is to ensure students' physical and mental health. It also has the opportunity to build students' interpersonal skills and sportsmanship while competing and leading their team in the event. This event provides a great opportunity to gain our campus' reputation that allows the public and the sponsors to get to know about our proactive students as well as clubs and societies.

Background

Previous sports event, Sports Fiesta 2024, had successfully achieved the objectives of exploring potential players and providing a platform for every student in INTI, including athletic and non- athletic students to have fun in the event. This year we are back to host the event with a higher target and greater goal. With the current numbers of active clubs and societies throughout the entire INTI, the participants that are attending this event will be well entertained.

Planning

1. The event will be varied into 3 category modes, which are tournaments mode, station games mode and online quizzes. The tournament mode will begin from 7:00 pm, while two tournaments will be held each day.

Venue

- MPH will be used for badminton tournaments, taekwondo tournaments as well as closing ceremonies during the last day of the event.
- Sport Facilities including Sports Hall, basketball courts, futsal field and futsal courts will be used by INTI Football Club, Dodgeball Club, Basketball Club and Ultimate Frisbee Club.
- Sports Hall will also be considered as a contingency venue for frisbee and captain ball if there's any poor weather conditions.
- Captain Ball Club will hold their tournament at the basketball court beside block A.
- The Aquatic Club will hold their tournament at the INTI Swimming Pool , which is located beside the basketball court.

Considerations

- Make sure of the safety of participants. First aiders are needed to standby at the sports events' venues.
- Basketball, football, and dodgeball matches are highly dependent on weather conditions. If it's raining, we have no choice but to postpone or even call off the sessions if needed.
- To ensure the competition is run in a fair environment, each representative sports club's committees and members must use a fair scoring system and take the responsibility of refereeing during the tournaments.

- Please ensure that a thorough description of the event is provided for clearer understanding by INTIMA officials. Minimum word limit is 100 words.

ESTIMATED PARTICIPANTS	150
